## Facility Use

This program has been developed to provide building administrators, involved in the approval of District facility use, the guidelines and forms to ensure that all necessary information is gathered for approval of an outside organization or group to use District facilities.

1. **Complete Application for use of District Facilities** – The following application must be completed in its entirety and signed by the organization or individual wishing to utilize District facilities. The information will assist the District in determining if the organization or individual may be approved for District facility use, including the dates and time of the event to be held, and adequate insurance coverage and liability protections.
2. **Review Facility Information**
  - a. **General Guidelines** - This is the general information that anyone desiring to use District facilities should be made aware of, and understand, before approval to use of District facilities is made. It contains rules and regulations, procedures for scheduling, as well as insurance and liability information.
  - b. **Review Pricing and Terms** – There are three different categories that an organization or individual will be categorized as for purposes of facility use. Group I, Group II, or Group III status. Pricing according to Group status is determined and agreed upon.
  - c. **Facility Use Agreement** – After reviewing the Facility Information the representative of the organization or individual must sign, agreeing with the General Guidelines, Pricing, and Terms.
3. **Hold Harmless Agreement** – This agreement is completed by the organization or individual to provide documentation that all liability will be assumed by the organization or individual and not the District.
4. **Certificate of Insurance** – The organization or individual interested in using District facilities must provide a certificate of insurance. It proves that adequate insurance limits are in place for the organization or individual to be able to assume all liability for use of District facilities and provides protection for the District.
  - a. **Additional Named Insured** – When the organization or individual requests a certificate of insurance they must also request that the District be named as an additional insured on the organization's or individual's liability insurance policy. This provides an additional liability protection for the District is less likely to be held liable in the event of a claim.
5. **Checklist for Facility Use** – Once all information is completed, this checklist is used to verify that all necessary documentation has been gathered and signed, before sending to the Superintendent/Board of Education for approval.
6. **Letter of Approval** – Once the Superintendent/Board of Education makes approval for facility use, this letter will be sent to the organization or individual notifying them of the approval. This also includes the date and time they were approved, as well as information about payment for use of the facilities.

The Superintendent and/or Building Principal under any circumstances have the sole authority to deny the use of school facilities in the case of school related functions, or because the rental is not in the best interests of the school or community.

All fees must be paid within ten (10) days of the billing date. Failure to pay will jeopardize future rental. In certain cases the Superintendent may request payment at the time of contract.
